

INDEX-TRIBUNE

SONOMA, APRIL 4, 1896.

H. H. GRANT, EDITOR.

If the *Chronicle* and *Examiner* would quit lying about each other and the State, we would all be better off. Exaggeration catches the ignorant eye, but it does not fool the man of business. California has been hurt as much by the deliberate lies that have been told concerning her wonderful resources as by the phylloxera and white scale combined. Many papers are pleased to speak only of the immense things in the State—the big nuggets, trees, bunches of grapes, etc. These highly-colored descriptions are misleading. The big trees, nuggets, etc., are not by any means representative of the wealth of this State. The farms that have to be worked constantly and toilsomely, the mines that hold low grade ore, the dairy ranches that do not bring wealth in a day, the patient effort of the ordinary man under circumstances not altogether rosy in hue—these are the wealth of the State. California is not the home of idleness. Success demands work and to in any way lead outsiders to believe that wealth and happiness are to be picked up on the roadside is a lie.

About two months and a half yet remain during which time preparations can be made for the Bear Flag celebration. There is a good deal of general discussion in favor of the proposition. Everybody seems to be interested in it but no active steps have been taken. It is all well and good to say "yes, we must have a celebration," but unless some active steps are taken, and that soon, the time will be too short for the getting up of any extended celebration, such as the day warrants. The gentlemen who conducted the fight for the Institute worked hard from the start. The result will be that the teachers will be better entertained than ever before. If we are to hold a celebration in Sonoma that will be an honor to the State active preparations should commence after Institute week.

The Carnival envelopes are out, going through the mails here, there and everywhere, telling the many subjects of Flora to prepare for her royal Court. In joyous expectation of her scepter-sway the fields are bedecking themselves in many colors. The poppe flutters its golden banner to the sun, down in some shady dell maiden hair sips the dew and adds new beauty to earth and each tiny thing that grows in loyalty to Flora is making ready for the Carnival of Roses.

GLEN ELLEN ITEMS.

The Elite Saloon will be conducted in the future as an opera house. A change of time goes into effect on the Donahue line to-day.

Mrs. J. A. Poppe of Sonoma and Mrs. Chas. L. Poppe of San Francisco visited relatives here last Sunday.

A building boom must have reached this place as not less than eight cottages are in course of erection.

E. M. Gendar of San Francisco has purchased the Overton cottage and intends to open the same for summer boarders.

Geo. Beatty, our popular butcher, is an excellent pianist. The excitement caused by the arrival of Paderewski, should be avoided when talent equally as good can be found in our midst.

TRILBY.

Schellville, April 3, 1896.

Poor Indeed!

There are degrees and kinds of poverty, just as there are differences of opinion among those who compute and measure poverty and riches by different standards. Some men deem themselves poor because they are less rich than others, again there are comparatively poor people who are satisfied with a competence. There is a kind of poverty for which no amount of wealth can compensate, namely, a poverty of bodily stamina, evinced by nervousness and a derangement of the functions of digestion, bilious secretions and the bowels. To restore vigor upon a permanent basis there is one remedy that fully covers the requirements, "fills the bill," and this is Hostetter's Stomach Bitters. By restoring digestion, giving a healthful impulse to the action of the bowels and liver and tranquilizing the nerves, it fulfills the condition necessary to a resumption of strength by the system. It also overcomes malaria and rheumatism.

Deafness Cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

SONOMA, APRIL 4, 1896.
CITY OFFICIAL PAPER.

REPUBLICAN CONVENTION.

To Meet in Sonoma on Thursday, April 9th.

At a meeting of the Republican County Central Committee held in Santa Rosa last Saturday it was unanimously decided to hold the Republican County Convention in this city next Thursday.

The convention will be composed of one hundred and thirty-seven delegates, most of whom are expected to be present in person or by proxy and participate in the proceedings.

The members of the convention will select delegates to attend the Sacramento convention which convenes on Tuesday, May 5th, to elect two representatives and two alternates from the First Congressional District to the National Republican Convention which will be held in St. Louis next June.

Improved Railway Service.

The new time table of the San Francisco and North Pacific Railway went into effect last Thursday. The new time card gives Sonoma two fast passenger trains daily. One of these leaves San Francisco at 7:30 A. M. and arrives in Sonoma at 9:27 A. M. The other leaves the city at 5:15 P. M. and reaches this place at 7:17 P. M. The improved service will prove a great convenience to the people of Sonoma Valley and will no doubt greatly increase the travel over the Donahue line.

New Bridges to be Built.

W. B. Witterwood, foreman of the pile-driving crew of the San Francisco and North Pacific Railway, was in town several days this week. He is engaged in inspecting the bridges on the Sonoma branch of the Donahue system. The present bridges have been in use for twelve or fifteen years and it has been decided by the directors of the road to build new ones in their stead. Work will be commenced immediately.

Orange Festival Ball.

An orange festival ball will be given at the Nick Carriger ranch on the evening of Friday, April 10th. The affair will be under the management of Messrs. A. T. Lewis and Frank W. Weems. It is their intention to make this ball the event of the season. There will be good music, a fine dancing floor, oranges for everybody and a nice lunch at 12 o'clock. The admission price has been placed at \$1.00 for gentlemen. No charge will be made for ladies.

Messrs. Cheney & Leech.

In another column appears the new advertisement of Messrs. Cheney and Leech, horseshoers and general blacksmiths. The new firm is composed of Chas. Cheney and Albert Leech. The latter, who is an expert horseshoer, will take charge of that branch of the business, while the former will attend to the general work of the shop. These young men have just bought out the business of Chas. McHarvey, who has retired, and will be found at his old stand. Messrs. Cheney and Leech are good workmen and are deserving of encouragement.

Rose Carnival

The people of Santa Rosa are working like Trojans to make the Rose Carnival, to be held in that city on April 30th, May 1st and 2nd, one of the grandest floral displays ever seen in California. Other features will also be introduced, among them being balloon ascensions, parachute jumps, bicycle races, open air concerts, etc. Sonoma is going to take an interest in Santa Rosa's Carnival and will be largely represented in the Floral Pageant, which will far exceed that of a year ago.

Runaway.

A horse attached to a light buggy broke loose from a hitching post on the Buena Vista ranch on Wednesday last. The animal finding itself free and the gates leading out of the ranch open made a flying trip into town. After going a short distance the buggy came in collision with a fence post and was demolished. The horse, leaving the vehicle behind, came tearing down Napa street and rushing into Harris' livery stable stumbled and fell and was secured.

THE CITY TRUSTEES.

SUIT TO BE INSTITUTED FOR DELINQUENT TAXES ON THE COLLEGE BUILDING.

The City Pavilion to be Painted—Other Matters.

At a regular meeting of the City Trustees held last Wednesday evening Trustees Poppe, Schocken and Hartin and Clerk Breitenbach were present.

The minutes of the previous meeting were read and approved.

The bill of Louis Breitenbach, assigned to Henry Hartin, for constructing curbing on north side of the Plaza was not acted upon.

The Plaza Committee, on motion of Trustee Hartin, was authorized to advertise for bids for painting the City Pavilion on the outside. Clerk Breitenbach read the petition of Mrs. Catherine Poppe for a franchise to lay and maintain water pipes on First-street East and Napa-street. The petition, on motion of Trustee Hartin was placed on file.

The Street Committee was authorized to fill in with soil so much of Mrs. Kell's sidewalk as had been removed therefrom by a former Board of Trustees.

One month's time was given to Mrs. Virginia Roche to fill in and level off the sidewalk in front of her property on First-street East.

The City Marshal was authorized to appoint two deputies during Institute week at \$3 per day.

J. B. Morris appeared before the Board and absolutely refused to pay the taxes on the College building of which he is agent. The Board thereupon engaged Fred T. Duhring as special attorney to commence suit against Dr. Wells, the owner, to recover the amount of the taxes on the property, percentages, cost of publication and cost of suit.

The Board, on motion of Trustee Schocken, instructed Clerk Breitenbach to make the necessary preparations and furnish the supplies for the coming city election on April 13th.

Twenty dollars was appropriated as a donation to the Finance Committee of the Teachers' Institute as a contribution from the city.

The following election officers and clerks were appointed for the municipal election to be held on the 13th inst: Inspectors, D. M. Eschbach and L. Litzius; Judges, J. D. Wagon and S. Cincio; Election Clerks, J. B. Small and John Revie; Ballot Clerks, J. H. Albertson and P. Keil.

The following bills were allowed and ordered paid:
A. Adler, carpenter work, \$ 4.00
J. D. Wagon, labor, 3.00
H. Castagnas, 5.25
L. Breitenbach, capping, 15.63
W. C. Munroe, culvert, 3.70
M. G. Harasathy, labor, 15.00
J. E. Robin, salary, 18.25
Wm. Switzer, grading, 88.25
Jno. Stademan, labor, 8.00
Jno. Revie, hauling gravel, 24.50
Total, \$179.33

The Board then adjourned.

Holy Week.

Special services were held in St. Francis' Church during Holy Week to commemorate the closing incidents of the earthly career of Jesus Christ. His entry into Jerusalem was celebrated on Palm Sunday by the blessing and distribution of palm branches, because the people saluting the Son of David as King strewed these emblems of victory and supremacy in His way. On Thursday the Institution of the Eucharist, on Friday the Crucifixion and on Sunday the Resurrection of the Saviour is celebrated. The musical services were rendered by the Convent choir under the direction of Sister Ignatius.

Republican Primaries.

A primary election for the selection of delegates to attend the County Convention to be held in this place next Thursday will take place in all the voting precincts of the county on Monday next. The election and convention is called for the purpose of selecting nineteen delegates to the State Convention which, in turn, meets in Sacramento on Tuesday, May 5th, for the purpose of choosing delegates to the National Convention which convenes in St. Louis on June 18th.

Broke His Leg.

Jos. Keechler, foreman of the Senator Jones ranch, while engaged in driving cattle to the ranch, had one of his legs broken between the ankle and knee last Saturday. The accident was caused by the horse he was riding slipping and falling upon him. The injury will lay him up for some time. This is the second time that Mr. Keechler has had the same limb broken.
